**International conference  
"Specialized Anti-Corruption Agencies:  
independent to be effective, effective to lose  
independence"**

Jurmala (Latvia), March 25- 26, 2010

**PROGRAMME**

The conference is intended as a platform for leading experts and officials in the field of anti-corruption.

The goal of the conference is to analyze contextual reasons for creation of specialized anti-corruption agencies, their most effective institutional set-ups (subordination) and available safeguards against the attempts to weaken their independence. Best practices of organizing anti-corruption work and methodology for monitoring the work of anti-corruption institutions by the civil society will be discussed as well.
