Open call for applications: Anti-corruption expert with specific expertise in the field of whistleblowing

Questions and Answers

Question 1:
Would the consortium members themselves be able to decide how project tasks shall be divided amongst the team? Should these roles be reflected in our application, or can the consortium members decide on the specific division of tasks at a later time?

Answer 1:
In case of consortium, please indicate the Team Leader.

The Team Leader should meet the Education Criteria (University degree in Law, Criminal Justice, Political Science or Security studies) and minimum experience criteria (at least 5 years of professional experience in whistleblowing, integrity and/or anti-corruption working with government institutions and civil society). Other experience and skills criteria can be met by other team members.

Tasks can be divided between the team members at a later stage based on team members’ strengths and as agreed with the RAI Secretariat.
